WILMINGTON

THE END OF THE PLAY

The play is done, the curtain drops,
Slow falling to the prompter's bell:
A moment yet the actor stops,
And looks around to say farewell.

The WHS Wildcat Soccer Team ended its season with an 8-7-3 record This was a better record than anticipated but it became a disappointment because of the fast start and poor finish nature of the season.

Jim Taylor lead the team in scoring with 12 goals and 5 assists for a 17 point total placing him 12th in the league

Sean Connors, Steve Caizzi, Jim Taylor and Brian Wetzler made the all star team with Sean making the Conference All Stars as well

The Girl's Cross-Country team had an excellent season, sporting a 5-2-1 record. The highlight of the season was the first ever victory over Billerica (26-31). The girls also made a great effort against Chelmsford (28-28) and just missed defeating Lowell (28-27). The team had a tremendous showing in the State Class Meet, missing qualifications in the All-State Meet as a team by a mere 3 points. Andrea Hayden, the Wildcat's top harrier, went on to compete individually in the All-States and placed a respectable 15th. Andrea and Lauren were selected as MVC All-Stars and chosen as *Lowell Sun* All-Stars. Debbie Errico and Julie Richburg remained among the top competitors for Wilmington as Debbie earned her 4th varsity letter, while Julie copped her 3rd.

Coach Ed Harrison's club began the season in fine style, topping Greater Lawrence (27-8), Lawrence (28-0), and Andover (27-4) before a 15-15 tie in the last minute at Billerica snapped the streak. Since that deadlock, the Wildcats have dropped games to Chelmsford (13-0), Methuen (21-9), Lowell (14-0), and Dracut (44-7). However, Wilmington gave both Chelmsford and Methuen all that they could handle.

"We played super at the beginning of the year," offers the low-keyed Harrison. "We could have caught one or two of those teams if we had played as we did at the start."

It seemed that almost every Thanksgiving the Redmen would unveil a fancy new play and leave the Wilmington football team with red faces. This Thanksgiving, however, the Wildcats made certain the Redmen left town with pale faces.

Senior runningback Chris Dindo threw a 44-yard touchdown pass to end Brian Moon off a reverse late in the first half, and the Wildcats held on for a 9-7 Merrimack Valley Conference victory over Tewksbury in their 50th Thanksgiving Day clash in front of 5,500 fans at Alumni Field. The win snapped a four game losing streak leaving the Wildcats finishing with a 5-4-1 season ledger.

Kneeling: B. Batten, M. Alpers, T. Mottolo (C), L. Ross, and C. Cornish. *Standing*: Coach Anderson, K. Mytych, M. Toto, G. Lombard, R. Clark, and L. Hastings.

WATCH ME

The Boys' Cross Country team ran to a 2nd place finish in the MVC small division with an impressive 6-2 record. The season started with a smash as the Wildcats defeated Billerica and a few weeks later outdistanced Lowell (27-29) in Lowell for the first time in WHS history. In the season finale the varsity lost a heartbreaker to Lawrence for the divisional title. However, Coach Kelley's crew bounced back to run past cross-town rival Tewksbury, and then placed 10th in the state meet to wrap up a fine season. Contributing outstanding efforts through the year were MVC all-stars Brian Ribiero and Frank Dinsmore. Captain Paul Quandt, Glen Baptiste and Kenny McGowan all ran superbly, while adding depth necessary for the team to enjoy a super season.

The Team of 1984 set many school records including, Most Goals in a Season (63), Most Shut-Outs Goalie (Kristen Pepe), Goalie Save Ratio 94-11=89% (Pepe), and Most points in Season, 31 (Kathy Robinson). The season started a little slow as the ladies struggled to a 4-2 record, losing to Tyngsboro & Andover. It took quite some time for the team to adjust to the loss of Marsha Burns, who was injurred in the second game of the season. At seasons end the ladies had won 10 games in a row including a 3-1 victory over Tyngsboro and a 6-1 (revenge was sweet) drubbing of Andover.

Due to the graduation of ten varsity starters the 1984 Wildcat Wrestling Team was young and inexperienced, comprised mostly of sophomores. The season was one for rebuilding the team, as they had little success, while compiling a 2-16-0 dual meet record. The season did end on a positive note as Captain Dave Hanson (HWT) placed fourth in the MVC Tourney, while Paul Cantwell (121) and Dave MacDonald (HWT) both placed fifth in their respective weight classes in the Division II North Sectional.

The Girls' Varsity Gymnastics Team continued to improve this year with 2 wins and team scores that were consistently in the 90's. They also set a new school record for the most points scored in a single meet with a score of 99.0 at Londonderry, N.Y. The girls worked hard to improve themselves, making a respectable showing in an increasingly difficult league.

The Wilmington High School hockey team finished the 84-85 season with a 9-9-1 record which was good enough to take second place in the MVC Small School Division. The Wildcats have had strong support by their defense, led by Dante DeMarco, Steve Caizzi, and Dave Fuller. Although the team was somewhat inconsistent, they played well for most of the season and the scoring punch was delivered by the line of Tom Craig, Bill Woods, and Jim Taylor.

The 1985-85 Girls' Basketball Team was captained by seniors Gail Lombard, Janet Crowley, and Sharon Carbone. Senior starters Kristen Butt and Kathy Robinson contributed both offensively and defensively while senior Val Sullivan added offensive spark helping the team earn an 8-10 record in the very competitive Merrimack Valley Conference. The season was highlighted by victories over last years' champion Chelmsford and large school opponent Andover. Despite several injuries, the season ended on a positive note with hard fought victories over small school rivals Dracut and Tewksbury. The team was led by three-year starter and two-year MVC All-Star Gail Lombard.

After two years of struggling, the Boys' Track Teams started its ascendency in 1985. Early season losses were counter balanced by some stellar performances as the year progressed. Any opponent that encountered the Blue and White after the Christmas break soon found that they had a Wildcat by the tail. Greater Lawrence and Greater Lowell were defeated, and the Methuen, Lawrence, and Tewksbury meets went down to the wire. Eric Cripanuk, John DeFarge, Frank Dinsmore, and Brian Ribeira shone brilliantly in major meet competition, all four earning league All-Star recognition. The nice thing is the majority of the team will be returning next year.

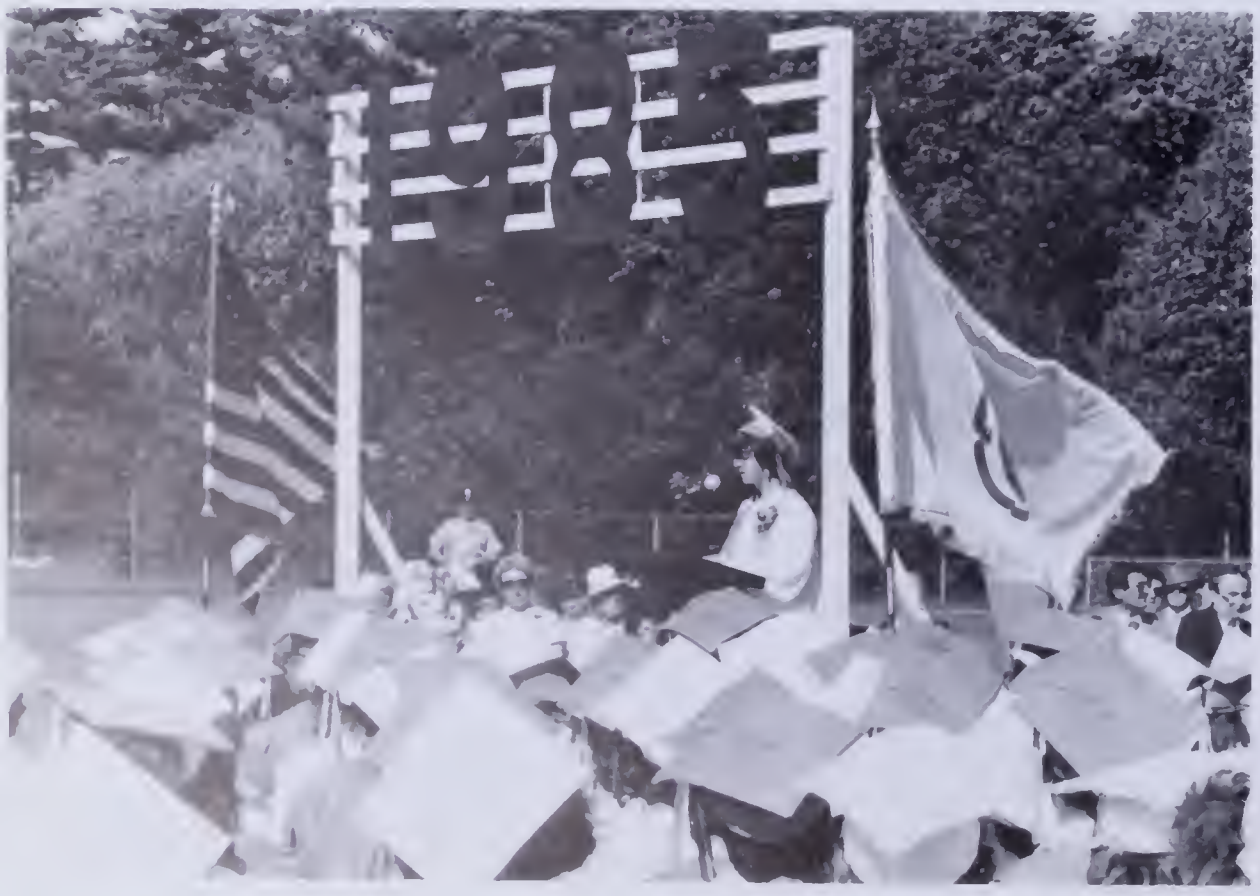
"One More Night



Make Your Life Count!

Good afternoon! Honored quests; members of the fiftieth year class; members of the twenty-fifth year class; Dr. Sager, our Superintendent of Schools; members of the school administration; faculty; and fellow students. Our twelve years of formal education has ended. For these many years, most our decisions have heen made or guided by our parents, teachers, friends, and administrators. We are now on our own. It is now up to each ou us to decide what we want to do with the rest of our life and how we are going to accomplish it. Whatever we plan, should aim to make our life count.

How do we make life count? We've all heard time and again that our vote counts. But that isn't what I have in mind. Making your life count means a lot more than voting. It means taking part in society and being a good citizen. As citizens of the commonwealth of Massachusetts, we have a unique heritage. This heritage is to make decisions for the common good now and in the future. This heritage which introduced public schools, established Harvard University, and created a model manufacturing city, Lowell, is what makes us different and has made our country strong. We are expected to contribute to the common good of all citizens.

But it's more than that. It means being gainfully employeed and being active in the community. It means enriching the lives of those we come in contact with just as our teachers, family, and friends have done for us. The opportunity to do a kind deed may be very brief. If you have kind words to say or love to show do it now, for this is the last time the class of 1985 will be all together/

An anonymous poet wrote:
"The life that counts must toil and fight;
Must hate the wrong and love the right;
Must stand for truth, by day, by night—
This is the life that counts.
The life that counts must hopeful be;
In darkest night make melody;
Must wait the dawn on bended knee—
This is the life that counts."
"The life that counts must helpful be;
The cares and needs of others see;
Must seek the slaves of sin to free—
This is the life that counts."

Jennifer St. Onge
Valedictorian

Appropriate Prospectives

Members of the school committee, Dr. Sager, members of the 25th and 50th year classes, honored quests, faculty members, administrators, Mr. Fleming, Mr. Lynch, Mr. Woods, families, friends, and fellow graduates good afternoon and welcome to the commencement exercises for Wilmington High School's Class of Nineteen hundred and eighty-five.

As graduating seniors we have experienced many events that are significant to our lives. As we grow older, these experiences and the people that are important to us now will lose their importance to newer experiences and new people. We will meet new friends and will be placed in new environments. As our lifestyle change, our hopes and dreams will also change.

Although we should continue to progress throughour lives, we should not forget our past. The past provides us with memorable lessons, learning experiences, and even a simple smile on a rainy, dreary day. Old friends should always be remembered and cherished. Old experiences should remain inthe backs of our minds to help us through difficult times.

An even mix of past, present, and future should be maintained for a fulfilling and enjoyable life. Who can survive in the present without looking for a better future? Who can only live in the present without looking on past experiences for help?

If we are to survive in today's modern world, we will have to keep appropriate perspectives on every aspect of our lives. As we receive our diplomas today, we will be taking another step into the adult world. To enjoy this life to its fullest, we must live actively in the present, remember fondly the past, and aspire fervently to the future.

Thank you.

History

It is hard to believe that only four short years ago we entered Wilmington High School. In September 1981, we met with Mr. Boucher, our class advisor, and elected our first class officers. Stephanie Dionne became our president, Andrea Ausiello our Vice President, Sherry Jensen our Secretary, and Maria Alpers our Treasurer. Freshman year was a slow year as we spent most of our time trying to find our classes and trying to sell candles, neither of which was very successful. We managed to have one great freedom that year which we soon lost- Open Campus.

Our sophomore year, while the Vice President, Secretary, and Treasurer stayed the same, Nicky Byrd, through his Reagan like jelly bean campaign, became the first black President of Wilmington High School. This year our funds went up to about $300.00 after a somewhat successful carnation sale. Things also began to pick up as we learned the meaning of such words as "The Rink" and "Baldwins"

Our junior year was a year of more change. We elected two new officers. Jay McFayden became President, and Tricia Mottolo became secretary. Our funds increased the most our junior year due to a profitable candy sale and magazine drive. We had our Junior Prom at the Bedford Stouffer's Glenn in Bedford. Although the weather the next day was a bit cold, we all hit Hampton Beach and partied all day long. Our junior ended with the realization that we would then become Seniors.

As we look back on our senior year, we have many things to remember. Having already been under the administration of 3 different principals, we again, were faced with a new and very different principal, Mr. Paul T. Fleming. This past year, we again elected two new officers. Sean Connors became our new President, and Denise Quinn our Secretary We sold candy again, and made enough money to afford a supplement (unlike the Class of '84) Under the administration of Mr. Fleming, we attained such privileges as Senior lounge, and donuts and milk in the morning. We also attained the privilege of spending 10 minutes of our lunch outside by the gym, but it seems as though all would rather stay in the cafe to watch our traditional food fights Possibly our most successful and memorable class event was the '85 Day Party. Surely, no one will forget our beautiful cake split in half and laced with chocolate ex-lax

As we're gathered here today, we can look forward to the Senior Prom on May 28, 1985 at the Colonial Hilton in Lynnfield The most memorable event in the past four years,however will be held on June 2nd on our football field when we will receive our diplomas, and join together for the last time before stepping out into the world around us, to make our dreams become reality.
